

## Training and Resources for Virtual Healthcare Template Developers

Knowledge Area	Description	Resource Title	Resource Type	Link
Azure Web App	Azure web apps library of resources	Web Apps Documentation	Azure docs	<a href="#">Web Apps Documentation</a>
Azure Web App	Azure web app performance	Monitor Azure web app performance	Azure docs	<a href="#">Monitor Azure web app performance</a>
Azure App Service	Azure App Service library of resources	App Service Documentation	Azure docs	<a href="#">App Service Documentation</a>
Azure App Service	App Service Free Trial	Try App Service for free - no signup or credit card required	Downloadable App Service Templates	<a href="#">Azure App Service downloads</a>
Azure App Service	Azure Logic Apps	Mastering Azure App Service, Part 1: Building Azure Logic Apps	Microsoft Virtual Academy course	<a href="#">Mastering Azure App Service, Part 1: Building Azure Logic Apps</a>
Azure App Service	Azure API Apps	Mastering Azure App Service, Part 2: Building Azure API Apps	Microsoft Virtual Academy course	<a href="#">Mastering Azure App Service, Part 2: Building Azure API Apps</a>
Azure App Service	Azure Web Apps	Mastering Azure App Service, Part 3: Building Azure Web Apps	Microsoft Virtual Academy course	<a href="#">Mastering Azure App Service, Part 3: Building Azure Web Apps</a>
Azure App Service	Azure Mobile Apps	Mastering Azure App Service, Part 4: Building Azure Mobile Apps	Microsoft Virtual Academy course	<a href="#">Mastering Azure App Service, Part 4: Building Azure Mobile Apps</a>
Azure App Service	Deploying Web Apps to Azure App Service	Deploying Web Apps to Azure App Service	Microsoft Virtual Academy course	<a href="#">Deploying Web Apps to Azure App Service</a>
Azure Service Bus	Azure Service Bus for queuing events	Service Bus queues, topics, and subscriptions	Azure docs	<a href="#">Service Bus queues, topics, and subscriptions</a>
Azure Service Bus	Azure Service Bus messaging	Service Bus messaging: flexible data delivery in the cloud	Azure docs	<a href="#">Service Bus messaging: flexible data delivery in the cloud</a>
Azure Storage	Introduction to Microsoft Azure Storage	Introduction to Microsoft Azure Storage	Azure docs	<a href="#">Introduction to Microsoft Azure Storage</a>
Azure storage	Tutorial how to use Azure Storage Client Library for .NET in common Azure Table storage scenarios	Get started with Azure Table storage using .NET	Azure docs	<a href="#">Get started with Azure Table storage using .NET</a>

Knowledge Area	Description	Resource Title	Resource Type	Link
Azure storage	How to perform common tasks using Microsoft Azure Table storage	Getting started with Azure Table storage using .NET	GitHub web content	<a href="#">Getting started with Azure Table Storage in .NET</a>
Azure Redis Cache	Azure Redis Cache library of resources	Azure Redis Cache	Azure docs	<a href="#">Azure Redis Cache</a>
Key Vault	Introduction to Azure Key Vault	What is Azure Key Vault	Azure docs	<a href="#">What is Azure Key Vault?</a>
Key Vault	Get started with Azure Key Vault	Get started with Azure Key Vault	Azure docs	<a href="#">Get started with Azure Key Vault</a>
Key Vault	Use Azure Key Vault from a Web App	Use Azure Key Vault from a Web App	Azure docs	<a href="#">Use Azure Key Vault from a Web Application</a>
Trusted App API	Deploying a Trusted App using Skype for Business Trusted App API	Trusted App Deployment	GitHub - video	<a href="#">Trusted API Deployment</a>
Trusted App API	Trusted App API setup	Trusted Application API documentation	GitHub – web content	<a href="#">Trusted Application API documentation</a>
Trusted App API	Trusted App API samples for anonymous sign-in	Trusted App API samples for anonymous sign-in	GitHub – web content	<a href="#">Trusted App API samples for anonymous sign-in</a>
Azure Active Directory	Azure Active Directory developer's guide	Azure Active Directory developer's guide	Azure docs	<a href="#">Azure Active Directory developer's guide</a>
Azure Solution Design Training	Learn solution design skills for Azure Infrastructure and Networking, App Services Web Apps, App Storage and Data Access, and Securing Resources	Architecting Microsoft Azure Solutions	Microsoft EDX self-paced course	<a href="#">Architecting Microsoft Azure Solutions</a>
Skype bot	Build and publish a Skype bot	Build and publish a Skype bot	Microsoft Bot Framework web content	<a href="#">Build and publish a Skype bot</a>
